Team Leader, Customer Support & Projects,

Vodafone Romania

07/2023 – present | Craiova, Romania

Experienced Team Leader with a proven track record in managing customer support and project teams. Demonstrated expertise in delivering exceptional customer service and successfully driving project initiatives. Committed to fostering a collaborative work environment, optimizing processes, and achieving outstanding results. Skilled in team management, problem-solving, and project execution.

Key Responsibilities:

- Lead and supervise a team of customer support representatives, providing guidance, training, and mentoring to ensure high-quality service delivery.
- Develop and implement strategies to enhance customer satisfaction, improve response times, and exceed performance targets.
- Collaborate with cross-functional teams to identify customer pain points, develop solutions, and implement process improvements.
- Oversee the planning, execution, and completion of projects, ensuring adherence to timelines, budgets, and quality standards.
- Conduct regular performance evaluations, provide constructive feedback, and implement performance improvement plans as necessary.
- Monitor team performance metrics, analyze data, and generate reports to identify trends, areas for improvement, and opportunities for growth.
- Foster a positive and inclusive team culture, promoting teamwork, open communication, and a customer-centric mindset.
- Stay updated with industry trends, best practices, and emerging technologies to drive continuous improvement in customer support and project management processes.
- Serve as a point of escalation for complex customer issues, ensuring prompt resolution and customer satisfaction.
- Skills:
 - Team leadership and management
 - Customer support and service delivery
 - Project planning and execution
 - Problem-solving and decision-making
 - Communication and interpersonal skills
 - Process improvement and optimization
 - Data analysis and reporting

- Stakeholder management
- Time management and prioritization

Team Leader - Customer Service Support,

Vodafone Romania

01/2022 – 06/2023 | Craiova, Romania

As a team leader, I am passionate about developing and managing high-performing teams. My strong communication and collaboration skills enable me to build relationships with team members, stakeholders, and clients to achieve shared goals. I have a proven track record of driving success by motivating and guiding team members to exceed performance targets and develop their skills. With a focus on continuous improvement, I thrive on identifying and implementing innovative solutions to enhance team performance and optimize processes.

In this role, I am committed to providing strategic direction and leadership to help achieve the organization's goals while maintaining a positive team culture that fosters growth and development.

Account Manager - Business Corporate

Accounts, *Vodafone Romania*

06/2021 – 01/2022 | Craiova, Romania

As a specialist for major accounts, I bring a wealth of experience in managing and developing strategic relationships with key clients. With my experience in this role, I have a deep understanding of the unique challenges and opportunities faced by major accounts. My expertise in account management, business development, and solution selling enables me to work collaboratively with clients to understand their needs and provide tailored solutions that drive their business objectives.

In this role, I am dedicated to leveraging my expertise and resources to drive growth, optimize profitability, and achieve mutual success with major accounts.
